The **IEEE ROBIO 20-21** conference will take place from December 6 to 9, 2021 at Sanya, China. The theme of ROBIO 20-21 is **"Robotics and Biomimetics to meet societal grand challenges"** reflecting the fast-growing and timely interests in research, development and applications and their impacts on the world. Due to the COVID-19 pandemic, ROBIO 2020 and 2021 have been combined and will be jointly held. ROBIO 20-21 promises to be a great event for researchers and scholars in robotics and biomimetics areas, with attractive technical and social programs. Especially, the conference will highlight the research results, new engineering development and applications related to meeting the societal grand challenges such as COVID-19 pandemic.

Contributed Papers: Original papers are solicited in all related areas of robotics and biomimetics. For detailed format information, please visit the conference website. Accepted and presented papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements.

The conference will be hybrid, both physical and online.

Full Paper Submission: Aug. 15, 2021

Acceptance Notification: Sep. 23, 2021
