IEEE ROBIO 2024

Dec. 10-14, 2024 | Bangkok, Thailand

THAILAND

2024 IEEE International Conference on Robotics and Biomimetics

General Chair
Kazuhiro Kosuge (HKU, Hong Kong)
General Co-Chairs
Lixin Dong (CityU, Hong Kong)
Lianqing Liu (SIA, CAS, China)
Program Chair
Fei Chen (CUHK, Hong Kong)
Program Co-Chairs
Hesheng Wang (SJTU, China)
Bo Tao (HUST, China)
Huaping Liu (Tsinghua Univ., China)
Rong Xiong (Zhejiang Univ., China)
Organizing Chair
Jun Liu (HKU, Hong Kong)
Organizing Co-Chairs
Yili Fu (HIT, China)
Xuguang Lan (XJTU, China)
Jun Luo (Chongqing Univ., China)
Hongliang Ren (CUHK, Hong Kong)
Award Chairs
Yunhui LIU (CUHK, Hong Kong)
Jianwei Zhang (Univ. of Hamburg, Germany)
Rui Song (Shandong Univ., China)
Workshop Chairs
Huichan Zhao (Tsinghua Univ., China)
Xinyu Liu (Univ. of Toronto, Canada)
Chaoyang Shi (Tianjin Univ., China)
Chengzhi Hu (SUSTech, China)
Lin Feng (Beihang Univ., China)
Qiang Li (Shenzhen Tech. Univ., China)
Special Session Chairs
Miao Li (Wuhan Univ., China)
Jiankun Wang (SUSTech, China)
Jianqin Yin (BUPT, China)
Qili Zhao (Nankai Univ., China)
Yuliang Zhao (Northeastern Univ., China)
Xinge Yu (CityU., Hong Kong)
Publicity Chair
Yasuhisa Hirata (Tohoku Univ. Japan)
Publication Chair
Zhidong Wang (Chiba Inst., Japan)
Finance Chair
Zhan Yang (Soochow Univ., China)
Registration Chair
Wai Chiu King Lai (CityU, Hong Kong)
Local Chair
Ronnapee Chaichaowarat (Chula Univ., Thailand)

The 2024 IEEE International Conference on Robotics and Biomimetics (IEEE ROBIO 2024) will take place **from December 10 to 14, 2024 in Bangkok, Thailand**. The objective of this conference is to provide a forum for researchers in the interdisciplinary areas of robotics and biomimetics to disseminate their latest research results and explore the opportunity for research collaboration.

Bangkok: the capital and largest city of Thailand, is one of most cosmopolitan cities in Asia with magnificent temples and palaces, authentic canals, busy markets and a vibrant nightlife that has something for everyone. IEEE ROBIO 2024 will provide the participants an opportunity to enjoy the fantastic scenic spots and the unique art and culture.

Contributed Papers: For detailed format information please visit the conference website. Accepted and presented papers will be submitted for inclusion into IEEE Xplore subject to meeting the Xplore scope and quality requirements. High quality accepted papers with extended version will be recommended to prestigious journals.

Topics:

Cognitive and Social Robots	Medical Robotics
Human-robot Interaction	Rehabilitation Robotics
Robotic Learning and Generative AI	Neurorobotics
Robotic Control and Automation	Embodied Intelligence
Humanoid Robots and Actuators	Bioinspired and Biomimetic Robotics
Sensors and Wearable Electronics	Soft Robotics

IMPORTANT DATES

Full Paper Submission: ~~Aug. 1, 2024~~ Sept. 3, 2024
Acceptance Notification: Oct. 1, 2024
Final Submission: Oct. 15, 2024
